COMPANY OVERVIEW
The Kirlin Group is a privately held group of construction companies that collectively specialize in plumbing, heating, ventilation and air conditioning; design/build construction management; and fire sprinkler work. The Kirlin Group provides its services throughout the United States and in select international markets.

The Kirlin Group’s full service specialty trade contracting companies are capable of performing any type of commercial, industrial or high density residential plumbing and mechanical construction. The Kirlin Group provides these services through Kirlin Mid-Atlantic, Kirlin Carolinas, Kirlin Florida and Kirlin Mechanical Services. With principal offices in the Mid-Atlantic, North Carolina, South Carolina, Ft. Lauderdale, Miami and Orlando, The Kirlin Group has been able to offer its nationally-recognized leadership in the mechanical construction industry to a broad range of clients.

John J. Kirlin Special Projects, LLC has developed a reputation as one of the leading design/build construction management companies in the country, providing services to the federal government throughout the United States.

National Fire Protection, LLC is one of the largest fire protection contractors in the United States, performing work throughout the eastern half of the country and also internationally.

Whether the project calls for design-bid-build, fast-track construction, design-assist or design-build, The Kirlin Group has a delivery vehicle to meet every client's needs.

CORPORATE OWNERSHIP
The Kirlin Group of companies are privately held Delaware limited liability companies. The current ownership group is the third generation of company owners.

CURRENT ENR RANKING
Kirlin does not report specific financial information to industry publications since we are privately held. However, based on current ENR statistics, Kirlin would rank as the largest privately held mechanical contractor in the United States.

ANNUAL REVENUES
Our annual revenues exceed $500 million.

BONDING CAPACITY
In excess of $100M per project and in excess of $500M total capacity.

BANKING REFERENCE
Bank of America, Rockville, Maryland

BONDING AND INSURANCE REFERENCE
Construction Risk Solutions, LLC, Hunt Valley, Maryland
WHERE DO YOU WANT TO GO?
Wherever you want to go, Kirlin can take you there. Whether you are a seasoned professional or just getting started, Kirlin has a place for you on our team – as a skilled tradesperson, draftsman or estimator, a project manager or construction executive, or in a corporate support position. If you are hardworking and dedicated, Kirlin is the place to be.

WHAT’S IN OUR FUTURE?
At Kirlin, we see a future filled with opportunities, both for our company and for our employees. We started in Mr. Kirlin’s basement over 50 years ago. Today, the Kirlin Group is one of the largest privately trade contractors in the United States. As we continue to expand, Kirlin will open new doors and create new opportunities for future generations of our employees. At Kirlin, your future has no limit.

MAKE A DIFFERENCE.
Kirlin’s team builds marquee projects all over the country. What do we build? How about renovation projects of historical significance, such as re-building the Pentagon after 9/11; construction of state-of-the-art sports, entertainment and cultural centers, such as the Marlins Stadium, the Amway Center, Nationals Ballpark, American Airlines Arena, Verizon Center, and the Capital Visitor’s Center; new education facilities on leading college campuses like Duke University, the University of North Carolina, the University of Miami and the University of Maryland; hospitals, research and development facilities, and industrial facilities; new hotels and mixed use residential buildings; commercial office buildings; data and telecom facilities and more. Kirlin’s team is building the future and making a difference.

AWARD WINNING CONSTRUCTION.
Our team has won major awards all over the country – for craftsmanship, partnering, timely and efficient work and more. At Kirlin our goal is to exceed our clients’ expectations. Are you ready to play for our winning team?

A SOLUTION FOR EVERY CHALLENGE.
Every challenge is an opportunity to show our clients what the Kirlin team can deliver. From design-build to design-assist to value engineering to expedited fabrication and installation, Kirlin gets the job done.
